FEBRUARY 2009

President's Remarks

Dear Friends,

I would like to take this opportunity to wish everyone a belated Happy New Year. It is full steam ahead for **Annie Get Your Gun**. We have less than 7 weeks to go to Opening Night and I am pleased to report that the show is cast and rehearsals are now well under way. Full attendance at rehearsals is paramount. If you can't make a rehearsal please let Prim or Irene know. Our new Production Team are certainly putting the Cast through their paces. Congratulations to all those cast in Principal Roles. Our Director Tom has some great ideas for staging our show within our temporary home of Greystriars Church.

Congratulations and well done to everyone who helped with our Charity Christmas Post. We managed to raise £1480.95, which will be split between ourselves and our two chosen Charities - St Andrews Ambulance Association and The Clydesdale Autism Support Group. The presentations to these Charities will take place at a rehearsal in the near future.
