January 2011

President's Remarks

Happy New Year to you all.

Hope you are all suitably recovered from the recent festivities and ready to get back to rehearsals. Yes, we have at last made the decision to produce another show in the Cartland Bridge Hotel and have chosen *Guys and Dolls*.

The committee are very excited by the decision and hope you are too. The Hotel is booked for the week beginning 7th May, until the following Sunday, no firm decision on the number of performance nights.

The first get together/welcome night is on Tuesday 25th January in the Tolbooth at 7.30pm, a wee glass of wine is on offer and an introduction will be made to *Guys & Dolls* and your production team etc.

Hope to see as many there as possible.

Delighted to announce that the director will be David Goodall who just couldn't resist coming back to work with us. We have also appointed a new Musical Director and can't wait to work again with Aidan Broadbridge. Our old favourite, I hope, Shona will be our choreographer and also back on board Kenny Douglas as Stage Manager. A superb team who are already making innovative plans!!!

On the fundraising front can I start by thanking all those who gave their time and got frozen out doing Christmas Post deliveries, we had a fabulous response for help from our members and got the job done with no complaints this year. A mention to for the Scouts and Clydesdale Befrienders whose help was invaluable in the Tolbooth and on the deliveries.

Our next fundraiser is another RAG BAG collection which hopefully many of you already know about so keep on at your neighbours, friends and family and collect those bags or encourage them to bring them to the YMCA on Sunday 30th January between 10am and 4pm. We could also use some volunteers to man the YMCA during those times for an hour or two so please contact Alice and pledge your time.

Anyway look forward to seeing you all on the 25th and tell all your friends it is a great show and a great time to stage it, leaving your summer free.

Cheers Eleanor
